Description /Application:

Almost every company uses Euro boxes. Either for storing of small parts or for dispatch commissioning. Using new plastics even allows an application in the food industry or the pharmaceutical industry. All Euro boxes of our series can be combined with each other and are available with a standard lid or a hinged lid (suitcase box).

Further options:

- Marking with a logo or lettering
- Other colours available starting from a minimum order of approx. 500 pieces.

Load Quantities:

Quantity / Storing position (Euro pallet): up to 40 pieces

Quantity / Package: up to 8 pieces

*All load capacity data is only valid in case of evenly distributed load. For all indicated dimension tolerances of +/- 3 mm apply.
